

YARD SALE PERMIT--SIGN REGULATIONS

Yard Sale signs are NOT allowed!

It is a **violation** of City Ordinances to place yard sale signs on Utility Poles, Light Poles, and Street Signs and within the Street Rights-of-Ways(street corners).

You will be allowed to place **ONE (1)** sign in **your** yard for the 3 day yard sale event only, and then the sign must be removed.

Violators are subject to minimum fine of \$25.00 and maximum fine up to \$1,000.00 per day. (Each day such violation continues shall be considered a separate offence)

I have read the above memo regarding yard sale signs and I understand the restrictions and penalties regarding placement of signs.
